

VITA- August 2007

RICHARD G. BOEHM **Jesse H. Jones Distinguished Chair in Geographic Education**

1. PERSONAL

Name: Richard G. Boehm

Home Address: 733 Willow Ridge Dr.
San Marcos, Texas 78666

Home Telephone: 512.392.1510
Cell Phone 512.393.9546

Academic Address: Department of Geography
Texas State University-San Marcos
San Marcos, Texas 78666

Office Telephone: 512.245.3615 FAX: 512.245.1653

E-mail rb03@txstate.edu

2. DEGREES AND ACADEMIC WORK

Ph.D. in Geography, University of Texas at Austin, 1975.

Dissertation Title: "Structural Relationships Between Texas Ports and Inland Supply Points for Export Cotton."

M.A. in Geography, University of Missouri-Columbia, 1962.

B.S. in Education, University of Missouri-Columbia, 1960. Social Studies major, Geography minor.

3. TEACHING EXPERIENCE

1980-Present Professor, Texas State University-San Marcos, San Marcos, Texas, Graduate and Undergraduate Instruction.

1977-1980 Associate Professor, Texas State University-San Marcos, San Marcos, Texas, Graduate and Undergraduate Instruction.

1971-1977 University of Missouri-Columbia, Instructor and Assistant Professor, Graduate and Undergraduate Instruction.

1963-1971 Texas State University-San Marcos, San Marcos, Texas, Instructor and Assistant Professor, Undergraduate Instruction.

4. ADMINISTRATIVE AND EDITORIAL POSITIONS

Special Editor for the Research in Geographic Education issue “The Education of an Applied Geographer.” Vol. 9, No. 1, 2007.

Guest Editor, The Geography Teacher. Vol. 3, Num. 1, 2004.

Guest Editor, The Social Studies, Nov./Dec. Issue, 2004.

Member, Editorial Board for The Social Studies, 2003-present.

Executive Editor, Research in Geographic Education, Gilbert M. Grosvenor Center for Geographic Education, Texas State University-San Marcos, San Marcos, Texas, 1999-present.

Director, The Gilbert M. Grosvenor Center for Geographic Education, Texas State University-San Marcos, San Marcos, Texas, 1997-present.

Co-Coordinator, Texas Alliance for Geographic Education, 1986-present.

Chairman, Department of Geography and Planning, Texas State University-San Marcos, San Marcos, Texas, 1977-1994.

Chairman, Department of Geography, University of Missouri-Columbia, 1976-1977.

Director, Institute for Corridor Studies, Texas State University-San Marcos, San Marcos, Texas, 1983-1993.

Member, Editorial Board of the Journal of Geography, 1984-1987.

Reviewed articles as a referee for the Annals of the Association of American Geographers, The Professional Geographer, Journal of Geography, Social Education, and The Social Studies.

Editor, Media Materials for the National Council for Geographic Education, 1972-1977.

Editor, Media Review in the Journal of Geography, 1973-1977.

5. HONORS, PROFESSIONAL SERVICE, AND PROFESSIONAL ASSOCIATIONS

Director, GeoAmericas Conference in La Serena, Chile, May 2007.

Honorable mention for service activities. Awarded by the Dean, College of Liberal Arts, Texas State University, September 2006.

Organizer, International Conference on Research in Geographic Education, May 2005, San Marcos, Texas.

Development activities to support fund raising for The Horizon Fund, Department of Geography, University of Missouri-Columbia, 2004.

President, Wonderland School, Parent Support Group, San Marcos, Texas, 2004, 2005.

Graduation Speaker, Texas State University. May 2003.

Organizer, International Conference on Research in Geographic Education, May 22-24, 2003, San Marcos, Texas.

Gilbert Grosvenor Honors in Geographic Education. Presented by the Association of American Geographers at the annual meeting in Los Angeles, California, March 2002.

Executive Editor, Research in Geographic Education, Gilbert M. Grosvenor Center for Geographic Education, Texas State University-San Marcos, San Marcos, Texas, 1999-present.

Organizer, International Conference on Research in Geographic Education, May 20-22, 1999, San Marcos, Texas.

Named Jesse H. Jones Distinguished Chair in Geographic Education, Texas State University-San Marcos, September 1998.

Organizer, The First Assessment: Research in Geographic Education Conference, May 22-24, 1997, San Marcos, Texas.

Received The Arts and Science Distinguished Alumni Award from the University of Missouri-Columbia, February 1996.

Organizer, Summit II in Geographic Education, May 18-20, 1995, San Marcos, Texas.

Selected for the Presidential Seminar Award, Texas State University-San Marcos, April 11, 1995.

Member, writing team for Geography for Life, national standards in geography, winner of the 1995 Publications Award for the Geographical Society of Chicago.

Interviewed and filmed for "Geographers on Film," Boston, Massachusetts, Maynard Weston Dow, 1994.

Named National Faculty Member for The National Faculty, Atlanta, Georgia, for a five-year term, 1994.

Organizer, Summit I in Geographic Education, May 20-22, 1993, San Marcos, Texas.

Biography listed in Barton and Karan, Leaders in American Geography. Mesilla, New Mexico: New Mexico Geographical Society, 1992, pp. 212-213.

Received the George J. Miller Award for Distinguished Service to Geographic Education. Presented by the National Council for Geographic Education at the annual meeting, St. Paul, Minnesota, October 1991.

Named "Distinguished Geographic Educator" by the National Geographic Society, July 1990.

Journal of Geography Award for Best Article Related to Teaching in Elementary Schools for "Teaching Place Names and Locations in Grades 4-8: Maps of Errors" (with J. Petersen). Journal of Geography, Vol. 86, No. 4, July-August 1987, pp. 167-170.

Appointed Co-Coordinator of the Texas Alliance for Geographic Education by the National Geographic Society, 1986-present.

Member of the writing team that received "A Special Citation" from the Geographic Society of Chicago for co-authoring the Guidelines for Geographic Education, May 1985.

Received 1985 Distinguished Teaching Achievement Award from the National Council for Geographic Education.

Appointed to the steering committee for the Geographic Education National Implementation Project, 1984-1987.

Member, writing team for the Joint AAG/NCGE National Curriculum Guidelines Project, 1983-1984.

Elected President, National Council for Geographic Education, 1983.

Member, Local Arrangements Committee for the Association of American Geographers meeting in San Antonio, Texas, April 1982.

Journal of Geography Award for Best Article Related to Teaching in Elementary Schools 1979-1980 for "Geography Is More Than Knowing: Deciding and Doing Are Basic Too!" (with J. Kracht). Journal of Geography, Vol. 79, No. 3, March 1980, pp. 104-107.

Elected First Vice-President of the National Council for Geographic Education, 1981.

Elected Second Vice-President of the National Council for Geographic Education, 1980.

Selected as Local Arrangements Chairman for the National Council for Geographic Education meeting held in Mexico City, 1979.

Elected Treasurer of the National Council for Geographic Education for a three-year term, 1977.

Designated as one of 50 invited experts for the UNESCO Regional (North America) Conference on Environmental Education. St. Louis, Missouri, October 5-8, 1976.

Journal of Geography Award (Honorable Mention) for Best Article Related to Teaching in the Secondary Schools 1973-1975 for "Feelings About the Community: Using Value Clarification In and Out of the Classroom" (with J. Kracht). Journal of Geography, Vol. 74, No. 4, April 1975, pp. 198-206.

Named Associate Fellow of the National Center for Juvenile Justice, Pittsburgh, Pennsylvania, 1974-1980.

Member, Alpha Pi Zeta-Social Science Honorary.

Distinguished Military Graduate (DMG)-University of Missouri, ROTC.

Member, Gamma Theta Upsilon-Honorary Geography Fraternity.

Member, Association of American Geographers.

Member, National Council for Geographic Education.

Member, Texas Council for the Social Studies.

Member (Lifetime), National Geographic Society.

Member, National Council for the Social Studies.

6. TEACHING INTERESTS

Undergraduate:

Curriculum in Geography
Teaching Methodologies in
Geography

Graduate:

Geographic Education
Research Methods
Applied Economic Geography

7. RESEARCH INTERESTS

Geographic Education (K-university)

Curriculum
Teaching Methods
Implementation of Standards
Assessment

Applied Geography

8. PROFESSIONAL CONTRIBUTIONS - BOOKS AND MONOGRAPHS

World Geography and Cultures (with National Geographic Society). (2008) Columbus, New York: Glencoe/McGraw-Hill

Exploring Our World: People, Places and Cultures (with others), (2008) Columbus, New York: Glencoe, McGraw-Hill.

The World and Its People (with others) (2005) New York: Glencoe/McGraw-Hill.

Basal Text Series, Grades K-6, Macmillan Social Studies (with others), (2005) New York: Glencoe/McGraw-Hill.

Our World Today: People, Places and Issues (with others), (2005) New York: Glencoe/McGraw-Hill.

Glencoe World Geography (with National Geographic Society), (2005) New York: Glencoe/McGraw-Hill.

The Best of Both Worlds: Merging History and Geography in the K-12 Curriculum (with D. Saxe and D. Rutherford). (2003) Washington, D.C.: Thomas B. Fordham Foundation.

Glencoe World Geography (with National Geographic Society), (2003) New York: Glencoe/McGraw-Hill.

Our World Today: People, Places and Issues (with others), (2003) New York: Glencoe/McGraw-Hill.

Building Geography Skills for Life (2003) New York: Glencoe/McGraw-Hill.

K-6 Basal Social Studies Series (with others), (2003) New York: Macmillan/McGraw-Hill School Publishers. Seven volumes.

Social Studies: A How To Skills Resource (including maps, reading, writing, charts, graphs, and test strategies) (with B. Webb). (2002) Columbus, Ohio: SRA, A Division of McGraw-Hill. Twelve volumes, including a text, teacher's guide, and skills book at each grade level.

Geography: The World and Its People (with others). (2002) New York: Glencoe/McGraw-Hill.

Geography: The World and Its People, Volume One and Two (with others). (2002) New York: Glencoe/McGraw-Hill.

Time and Space Convergence: A Joint History-Geography Curriculum (with D. Saxe and D. Rutherford). (2002) San Marcos, Texas: Grosvenor Center for Geographic Education.

Path Toward World Literacy: A Standards-Based Guide to K-12 Geography (with others)(Grosvenor Center for Geographic Education). (2001) Washington, D.C.: National Geographic Society.

Path Toward World Literacy: A Scope and Sequence in Geographic Education, K-12 (with others) (Grosvenor Center for Geographic Education). (2000) Washington, D.C.: National Geographic Society.

Glencoe World Geography (with National Geographic Society). (2000) New York: Glencoe/McGraw-Hill.

Geography: The World and Its People (with others). (2000) New York: Glencoe, Macmillan/McGraw-Hill, 780 pp.

"Geography of the United States" for Microsoft Encarta. (1999)

Harcourt-Brace Social Studies, learning program for grades K-6 (with others). (1998) Orlando, Florida: Harcourt-Brace School Publishers. Seven volumes.

The First Assessment: Research in Geographic Education (edited with J. Petersen). (1997) San Marcos, Texas: The Gilbert M. Grosvenor Center for Geographic Education, 304 pp.

World Geography: A Physical and Cultural Approach (with National Geographic Society). (1997) New York: Glencoe, Macmillan/McGraw-Hill, 785 pp.

Stories in Time, learning program for grades K-6 (with others). (1996) Orlando, Florida: Harcourt-Brace School Publishers.

Kindergarten	<u>All About Me</u>
Grade 1	<u>My World</u>
Grade 2	<u>Meeting Many People</u>
Grade 3	<u>Living in Our World</u>
Grade 4	<u>State and Regions</u>
Grade 4	<u>The Story of Texas</u>
Grade 5	<u>America's Story</u>
Grade 6	<u>Our World's Story</u>

Geography: The World and Its People (with others). (1996) New York: Glencoe, Macmillan/McGraw-Hill, 777 pp.

World Geography: A Physical and Cultural Approach. (1995) New York: Glencoe, Macmillan/McGraw-Hill, 786 pp.

Geography for Life, National Standards in Geography (with a writing team of seven). (1994) Published under a grant from the U.S. Department of Education under Goals 2000: Educate America Act. Washington, DC: National Council for Geographic Education and the National Geographic Society.

Careers in Geography. (1993) Washington, DC: National Geographic Society, 16 pp.

World Geography: A Physical and Cultural Approach (with J. Swanson). (1992) 3rd edition. Columbus, Ohio: Glencoe, Macmillan/McGraw-Hill, 672 pp.

World Geography: A Physical and Cultural Approach (with J. Swanson). (1989) 2nd edition. Mission Hills, California: Glencoe Publishing Co., 672 pp.

Guidelines for Geographic Education: Elementary and Secondary Schools (with others). (1984) Washington, DC: National Council for Geographic Education and the Association of American Geographers, 26 pp.

Latin America: Case Studies (edited with S. Visser). (1984) Dubuque, Iowa: Kendall-Hunt Publishers, 300 pp.

Transport Regulation in Missouri (with others). (1978) Jefferson City, Missouri: Missouri Public Service Commission, 224 pp.

Principal Interaction Fields of Missouri Regional Centers (with W. Wagner). (1976) Columbia, Missouri: University of Missouri-Columbia Extension Division, 38 pp.

Missouri's Transportation System: Condition, Capacity and Impediments to Efficiency (with others). (1976) Columbia, Missouri: Missouri Office of Administration, 351 pp.
Exporting Cotton in Texas: Relationships of Ports and Inland Supply Points. (1975) Austin, Texas: Bureau of Business Research, The University of Texas at Austin, 78 pp.

9. PROFESSIONAL CONTRIBUTIONS- PUBLISHED ARTICLES AND BOOK CHAPTERS

“Educating Leaders in Geographic Education: A summer Cohort Ph.D. Program.” (with Audrey Mohan and Melody Crenshaw) (2007) UNDER REVIEW.

“On the Education of an Applied Geographer.” (with Audrey Mohan) (2007) Papers of the Applied Geography Conference IN PRESS.

“Defining a Core Curriculum in Applied Geography.” (with Audrey Mohan) (2006) Papers of the Applied Geography Conference, pp. 340-349. REFEREED.

- “Round Two: Standards Writing and Implementation in the Social Studies” (with D. Rutherford). (2004) The Social Studies 95.6, 231-238. REFEREED.
- “Plying Our Trade: A Curriculum for Applied Geography.” (2004) Papers and Proceedings of the Applied Geography Conferences 27, 1-11. REFEREED.
- “The Nature and Scope of Geography in the Schools: A Preliminary Interpretation.” (2003) Papers and Proceedings of the Applied Geography Conferences, Vol. 26, pp. 178-187. REFEREED.

"Successful Television Teaching" (with R. Cramer). (1971) Journal of Geography, Vol. 70, No. 5, May, pp. 276-279. REFEREED.

"Recommended Reading for Geography Teachers." (1969) Texas Outlook, Vol. 53, No. 11, November, pp. 24-25.

"The Recent Argentine Attack on the United States' Meat Market." (1969) In Contemporary Latin America (Johnson and Weeks, eds.). Houston, Texas: University of Houston Office of International Affairs, pp. 11-13. REFEREED.

10. PROFESSIONAL CONTRIBUTIONS- OTHER PUBLISHED ITEMS, INCLUDING BOOK REVIEWS, EVALUATION REPORTS, MEDIA PROJECTS, TEACHERS GUIDES, EDUCATIONAL TELEVISION SERIES

"Geography and National Standards" (2005) Content Consultant/editor. Six educational television programs for middle school. Philadelphia: Schlesinger Media.

"K-4 United States Geography Series" (content consultant). (2004) 12 educational television programs. Philadelphia: Schlesinger Media.

Building Skills in Geography (with J. Petersen and L. Bybee). (1995) Mission Hills, California: Glencoe Publishing Co., 191 pp.

Texas Activity Workbook for Glencoe World Geography (with L. Bybee). (1995) New York: Glencoe/McGraw-Hill, 60 pp.

Workbook for Glencoe World Geography (with L. Bybee and J. Petersen). (1995) New York: Glencoe/McGraw-Hill, 82 pp.

Building Skills in Geography (with J. Petersen and L. Bybee). (1990) Mission Hills, California: Glencoe Publishing Co., 191 pp.

"Self-Assessment and Strategies for Improvement in Geography Departments" (with others). (1989) A project of the Task Force for the Advancement of Geography. Washington, DC: Association of American Geographers, 16 pp.

Book review of Economic Geography: Resource Use, Locational Choices, and Regional Specialization in the Global Economy (B. J. L. Berry, E. C. Conkling, and D. M. Ray, authors). (1989) Englewood Cliffs, California: Prentice-Hall, Inc., 1988, in The Professional Geographer, Vol. 41, No. 1, February, pp. 97-98.

Activity Workbook for Glencoe World Geography (with L. Bybee and J. Petersen). (1989) Mission Hills, California: Glencoe Publishing Co., 154 pp.

Texas Activity Workbook for Glencoe World Geography (with L. Bybee). (1989) Mission Hills, California: Glencoe Publishing Co., 60 pp.

"Enhancing High School Geography in Texas" (with J. Kracht). (1986) Commentary in The Professional Geographer, Vol. 38, No. 3, August, pp. 255-256.

"Energy and Our Society." (1980) Co-Producer and Television Teacher for a pilot educational television broadcast, KEDT-TV, Corpus Christi, Texas.

Transport Regulation in Missouri: Phase II (with others). (1979) Columbia, Missouri: Missouri Public Service Commission. In five parts.

Part 1: Final Report, 126 pp.

Part 2: Public Service Commission-Transportation Division Operations Handbook, 250 pp.

Part 3: Public Service Commission-Transportation Division Enforcement Manual, 44 pp. and Appendices.

Part 4: Public Service Commission-Transportation Division Job Evaluation Report, 60 pp.

Part 5: Public Service Commission-An Information Program for Transportation, 38 pp.

Peer Group Counseling in Berrien County, Michigan: 1977-1978 (with R. D. Larsen). (August 1978) St. Joseph, Michigan: Michigan Office of Criminal Justice, 83 pp. and Appendices.

Berrien County School-Based Peer Group Counseling Evaluation Report. (July 1977) St. Joseph, Michigan: Michigan Office of Criminal Justice, 60 pp.

Peer Group Counseling: A School-Based Juvenile Diversion Program. (1976) St. Louis, Missouri: Gateway Information Systems, Inc., 83 pp.

School-Based Delinquency Prevention: The Rock Island Experience (with F. Howlett). (1975) Austin, Texas: Justice Systems, Inc., 62 pp. and Appendices.

The Spatial Dynamics of the Juvenile Justice System. (1975) Typescript originally prepared for the National Center for Juvenile Justice. Pittsburgh, Pennsylvania: 32 pp.

"Magic Birthday Party." (1975) Teacher and user's guide for pilot educational broadcast in environmental education, Great Plains National Instructional Television Library, Lincoln, Nebraska.

"Geography for the 70's." User's guide to accompany a fifteen-program color ETV series for use in colleges and universities. The series was produced by the Southwest Texas Educational Television Council and was distributed by the Great Plains National Instructional Television Library, Lincoln, Nebraska.

Eleven "Media Review" articles for the Journal of Geography as the Media Review Editor. (1973-1977)

Geography for the 70's: A Teacher's Guide. (1971) Austin, Texas: Southwest Texas Educational Television Council.

"Geography for the 70's" (1970) A fifteen-part (color), enrichment educational television series produced by KLRN-TV, Austin, Texas. Distributed nationally by Great Plains National Instructional Television Library until 1979. Served as television teacher, producer, and writer.

Program Titles

Tundra and Subarctic
Rainforest and Savanna
Desert and Steppe
Mid-Latitude Climates
Rural Land Use and Settlement Patterns
Raw Materials
World Trade

Industrial Revolution
Urbanization
Problems of Urbanization
Population Explosion
Ecology
Latin America
Taiwan

"The Changing Earth." (1967-1968) A twenty-program series in geography, produced by KLRN-TV, Austin, Texas. This series was revised in 1968 and 1969. The programs were designed to enrich social studies and science classes in the greater Austin-San Antonio metropolitan area. Served as television teacher, producer, and writer. There was also a teacher's guide.

Program Titles

Tundra and Subarctic	Forest Resources
Rainforest and Savanna	Mineral Resources
Desert and Steppe	The Ice of Today
Mid-Latitude Climates	Oceans
Primitive Man	The Ocean Floor
Nomads	Natural Catastrophes
Rivers in History	Rivers of Today
Man Changes the Surface of the Earth	Human Resources
Water Resources	Populations
Soil Resources	Making a Living
Inhospitable Lands	

11. PROFESSIONAL CONTRIBUTIONS- PAPERS READ AT PROFESSIONAL MEETINGS

"Assessing the Validity of a Core Curriculum in Applied Geography." (with Audrey Mohan) (2006). Paper read at the Commission on Applied Geography of the IGU, Brisbane, Australia.

Boehm, Richard. (2005) "Overview of the Summer Academy for Minority Scholars Program," invited paper by the Social Science Education Council at the Annual Meetings of the National Council for the Social Studies, Kansas City, MO.

Boehm, Richard, and Audrey Mohan. (2005) "The North American Curriculum in Applied Geography and Regional Science," invited paper by the Applied Geography Commission of the International Geographical Union. Paper read at the North American Meetings of the Regional Science Association International, Las Vegas, NV.

"The Changing Face of Geographic Education," paper read at the annual meeting of the Louisiana Council for the Social Studies, Lafayette, Louisiana, November 2004.

"National Standards and Social Studies Education," Keynote address given at the annual meetings of the New Mexico Council for the Social Studies, Albuquerque, New Mexico, October 2004.

"Round Two: Standards Writing and Implementation in the Social Studies," (with D. Rutherford), paper read at the meetings of the National Council for Geographic Education, Kansas City, Missouri, October 2004.

“Plying Our Trade: A Core Curriculum in Applied Geography,” paper read at the annual meeting of the Applied Geography group, St. Louis, Missouri, October 2004.

“A Tribute to Gilbert M. Grosvenor of National Geographic Society,” Keynote address given at the All-Texas Geography Conference annual meeting, San Antonio, Texas, September 2004.

“Plying Our Trade: A Core Curriculum in Applied Geography,” Keynote address at the Commission on Applied Geography, International Geographical Congress, Glasgow, Scotland, August 2004.

“A Framework for Combining U.S. History and Geography,” (with D. Rutherford), session at the annual meeting of the National Council for the Social Studies, PLACE, November 2003.

“The Nature and Scope of Geography in the Schools: A Preliminary Interpretation,” (with D. Rutherford and E. Foster), paper read at the annual meeting of the Applied Geography group, PLACE, November 2003.

“Standards Implementation,” session at the annual meeting of the National Council for Geographic Education, Salt Lake City, Utah, October 2003.

“Problem Solving in the Social Studies: Get Your Students Involved,” paper read at the 38th Conference of Virginia Social Studies Educators, Richmond, Virginia, November 2002.

“A Model for Teaching Geography in U.S. History Courses,” (with D. Rutherford), paper read at the meetings of the National Council for Geographic Education, Philadelphia, Pennsylvania, October 2002.

“Commonalities in World History/World Geography,” (with D. Rutherford), paper read at the meetings of the Texas Council for the Social Studies, Austin, Texas, October 2002.

“Problem-Solving Model for Teaching Social Studies,” paper read at the 33rd Northeast Regional Conference on the Social Studies, Boston, Massachusetts, March 2002.

“Geography’s 5 Themes, Six Essential Elements and the North Carolina Standard Course of Study,” paper presented at the North Carolina Council for the Social Studies, Greensboro, North Carolina, February 2002.

“Summer Geography Academy for Minority Scholars,” (with L. Estaville), paper presented at the 13th annual Geo-Tech Conference in Dallas, Texas, January 2002.

“A Scope and Sequence in Geographic Education, K-12,” (with B. Yingling, B. Webb, and J. Stoltman), presentation at the annual meeting of the National Council for Social Studies in Washington, D.C., November 2001.

“A Model for Geography Department Recruitment of Minority Students” (with L. Estaville), paper read at the annual meeting of the Applied Geography group in Fort Worth, Texas, November 2001.

"A Joint Geography/History Model for Teaching U.S. History," (with D. Rutherford and E. Foster), paper read at the annual meeting of the Texas Council for Social Studies in Galveston, Texas, October 2001.

“Standards-Based Social Studies,” invited speech at the annual conference of U.S. DoDEA in New Hampshire, July 2001.

“The Health of the Discipline: Department Indicators,” (with L. Estaville and a panel of R. Abler, J. Adams, P. Gober, G. Hausladen, and T. Small), paper read at the annual meetings of the Association of American Geographers in New York City, March 2001.

“World Geography and World Cultures: Issues and Problem Solving,” paper read at the Friends of Geography (FOG) Conference in Houston, Texas, February 2001.

“World Geography: Teaching About the Environment Using Problem-Solving Approaches,” paper read at the GeoTech Conference in Dallas, Texas, January 2001.

"Combined Geography and History Teaching in U.S. and World History Courses," paper read at the annual meeting of the National Council for Social Studies in San Antonio, Texas, November 2000.

"A Scope and Sequence in Geographic Education, K-12," presentation made for the Chief State Social Studies Specialists at the annual meeting of the National Council for Social Studies in San Antonio, Texas, November 2000.

"World Geography: Big Issues and Problem Solving," workshop given at the annual meeting of the Texas Council for Social Studies in Grapevine, Texas, October 2000.

"World Geography: Big Issues and Problem Solving," workshop given at the 11th Annual GeoTech Conference in Dallas, Texas, April 2000.

"World Geography: Big Issues and Problem Solving," paper read at the annual meeting of the Friends of Geography in Galveston, Texas, February 2000.

“A Proposed Scope and Sequence in Geographic Education, Grades K-12” (with others), panel session at the annual meeting of the National Council for Geographic Education, Boston, Massachusetts, November 1999.

“Human-Environment Interaction in Russia: A Lesson Plan,” paper read at the 33rd annual conference of the Louisiana Council for the Social Studies, Lafayette, Louisiana, September 1999.

"Faculty Attitudes About a Common Course Curriculum in Introductory Geography Courses," paper read at the International Conference on Research in Geographic Education, San Marcos, Texas, May 1999.

"Big Issues and Problem Solving: Using the Five Themes to Teach World Geography and World Cultures," paper read at the meeting of the Texas Council for the Social Studies, Dallas, Texas, September 1998.

"The First Assessment: Research in Geographic Education" (with J. Petersen), workshop at the annual meeting of the National Council for Geographic Education, Orlando, Florida, October 1997.

"NAFTA and Maquiladores: A Social Studies Lesson" (with D. Blanchard Boehm), paper and discussion at the meeting of the Texas Council for the Social Studies, Corpus Christi, Texas, September 1997.

"Using the Five Themes to Teach the Geography of Russia and the Eurasian Republics," paper presentation at the annual Geo-Tech conference, Bishop Dunne High School, Dallas, Texas, March 1997.

"Regions and Boundaries: Teaching History and Geography" (with J. Petersen), paper read at the meeting of the Texas Council for the Social Studies, Houston, Texas, October 1996.

"Using the Five Themes to Teach Middle-School World Geography," paper presented at the meeting of the Pennsylvania Council for the Social Studies, Carlisle, Pennsylvania, October 1996.

"Five Themes and National Standards: Opportunities for Interdisciplinary Teaching," paper presented at the 8th annual Geo-Tech conference, Bishop Dunne High School, Dallas, Texas, March 1996.

"An Introduction to Geography for Life, National Standards in Geography," (with J. Marran), presented at the annual meeting of the Association of American Geographers, Chicago, Illinois, March 1995.

"Barriers to Effective Pre-Service Teacher Training in Geography," paper read at the annual meeting of the Association of American Geographers, San Francisco, California, April 1994.

"Teaching Human Environment Interactions: A Fundamental Theme in Geography" (with others), paper and workshop given at the annual meeting of the National Council for the Social Studies, Phoenix, Arizona, November 1994.

"The National Geography Education Standards" (with S. Bednarz), paper read at the meeting of the Texas Council for the Social Studies, San Antonio, Texas, October 1993.

"The Regions of Texas: How Many, Where They Are and How We Can Use Them to Teach," paper presented at the meeting of the Texas Council for the Social Studies, Houston, Texas, October 1992.

"The Five Fundamental Themes: Interdependence Between School and University Geography" (with J. Petersen), paper given at the International Geographical Union's Commission on Geographical Education meeting held in Boulder, Colorado, August 1992.

"Strategies for Improving Departmental Health at the Undergraduate Level," paper read at the annual meeting of the Association of American Geographers, Miami, Florida, April 1991.

"Discovery and Exploration Before the Age of Discovery and Exploration," (with J. Petersen), workshop at the annual meeting of the National Council for the Social Studies, Washington, DC, November 1991.

"Using the Five Themes to Teach World Regional Geography," paper read at the annual meeting of the National Council for Geographic Education, Williamsburg, Virginia, November 1990.

"The Five Themes: A Useful Framework for Teaching Geography," paper presented at the annual meeting of the Association of American geographers, Toronto, Canada, April 1990.

"Strengthening Geography in the Social Studies Curriculum," presentation at the annual meeting of the National Council for the Social Studies, Orlando, Florida, November 1988.

"Internationalizing the K-6 and 7-12 Curricula via Fundamental Themes in Geography," presentation at the annual meeting of the National Council for the Social Studies, Dallas, Texas, November 1987.

"The Texas Alliance for Geographic Education" (with N. Lehmann-Carsow), paper read at the annual meeting of the National Council for the Social Studies, November 1987.

"The Municipal Response to Urban Sprawl in the Central Texas I-35 Corridor" (with S. Visser and R. Larsen), paper given at the annual meeting of the Association of American Geographers, Detroit, Michigan, 1985.

"Growth in the South Texas I-35 Corridor" (with S. Visser), paper read at the annual meeting of the Association of American Geographers, Denver, Colorado, 1983.

"Predicting Cotton Export Hinterlands in Texas," paper presented at the national meeting of the Association of American Geographers, San Antonio, Texas, April 1982.

"Geographic Aspects of Solid Waste Disposal: The Texas Case," workshop led at the national meeting of the National Council for Geographic Education, Pittsburgh, Pennsylvania, October 1981.

"Beyond Analysis in Applied Geography: Writing to Influence Policy Decisions," paper offered at the 4th Annual Conference on Applied Geography, Phoenix, Arizona, September 1981.

"Mapping Single-Product Export Hinterlands," paper read at the annual meeting of the Association of American Geographers, Los Angeles, California, 1981.

"The Changing Concept of Port Hinterland," paper presented at the annual meeting of the Association of American Geographers, Louisville, Kentucky, April 1980.

"The Geography of Crime and Delinquency," invited paper read at East Carolina University, March 1980.

"The Houston-Galveston Rivalry for the Texas Cotton Export Trade," paper read at the annual meeting of the Association of American Geographers, Philadelphia, Pennsylvania, 1979.

"Changing Fortunes of Texas Cotton Ports," paper given at the annual meeting of the Association of American Geographers, New Orleans, Louisiana, 1978.

Organized and directed workshop in Environmental Education for secondary teachers at the National Council for Geographic Education meeting, St. Louis, Missouri, November 1977.

"The Geographic Assignment of Detention Facilities in an Eight- County Area of Southern Pennsylvania: A Linear Programming Approach," paper presented to the meeting of the Southwest Division of the Association of American Geographers, Dallas, Texas, 1971.

"The Problems of Urbanization," paper presented at the annual meeting of the National Council for Geographic Education, Detroit, Michigan, 1970.

"Regionalizing and State Boundaries: A Factor Analytic Approach" (with others), paper read at the meeting of the Southwest Division of the Association of American Geographers, Dallas, Texas, 1968.

12. CONSULTATION

Consultant for Educational Testing Service (with Audrey Mohan) (2007). Critically evaluated 326 maps for use by the Texas Education Agency on the Texas Assessment of Knowledge and Skills test.

"Geography for Students" (2006) 6 DVDs. Philadelphia, PA: Schlesinger Media.

"K-4 United States Geography Series," 12 ETV programs, Philadelphia, Schlesinger Media, 2004.

“Geography, History and the Social Studies.” Workshop at Region 4 Educational Service Center, Houston, Texas, December 2001.

Served as consultant to Educational Testing Service, Princeton, New Jersey, for the National Assessment of Educational Progress in Geography, June 2001.

Consultant for the United States Department of Defense Dependent Schools, three-day workshop entitled “Problem Solving in Geographic Education” held in Vicenza, Italy, October 2000.

Consultant for Educational Testing Service (ETS). Preparation and review of questions to be used on the National Assessment of Educational Progress (geography), Princeton, New Jersey, June 2000.

Consultant for the United States Department of Defense Dependent Schools, three-day workshop entitled “Problem Solving in Geographic Education” held in Sevilla, Spain, March 2000.

Consultant for Educational Testing Service (ETS). Preparation and review of questions to be used on the National Assessment of Educational Progress (geography), Princeton, New Jersey, February 2000.

Consultant for the United States Department of Defense Dependent Schools, three-day workshop on problem-solving in the social studies held in Istanbul, Turkey, November 1999.

Consultant for Miami University of Ohio. Program review of their Department of Geography, November 1999.

Consultant for Educational Testing Service (ETS). Preparation and review of questions to be used on the National Assessment of Educational Progress (geography), Princeton, New Jersey, April 1999.

Consultant for the Casados Group of Santa Fe, New Mexico on a Fordham Foundation funded grant to measure the effectiveness of geography standards in the school curricula of all states in the United States, April 1997-1998.

Consultant for the University of Nevada-Reno. Program review of their Department of Geography, April 1997.

Consultant for the United States Department of Defense Dependent Schools, three-day workshop on applied geography held in Istanbul, Turkey, December 1996.

Consultant for The National Faculty, three-day workshop on geography and interdisciplinary studies, Farmington, Missouri Independent School District, February 1996.

Consultant for the Ti-In Network (A Division of Wescott Communications, Inc.), "World Geography," Summer 1995.

Consultant for Educational Testing Service, The National Assessment of Educational Progress, Princeton, New Jersey, April 6-7, 1995.

Consultant for Northeastern State University. Program review of the geography section of the College of Social and Behavioral Sciences, Tahlequah, Oklahoma, March 9-10, 1995.

Consultant and author for Harcourt-Brace School Publishers for their elementary social studies program, 1994-present.

Consultant for The College Board, New York, on the development of a high school pacesetter program in World History, 1994-1995.

Consultant for The National Faculty for a two-week interdisciplinary in-service teacher training institute at the University of Mississippi, Oxford, Mississippi, 1994.

Consultant for The National Faculty, Atlanta, Georgia, for teacher training workshops as part of their Delta Academy, Vidalia, Louisiana, 1994.

Consultant for The National Faculty, Atlanta, Georgia, for teacher training workshops as part of their Delta Academy, Yazoo City, Missouri, 1994.

Consultant for The National Faculty, Atlanta, Georgia, for teacher training workshops as part of their Delta Academy, Murray, Kentucky, 1994.

Consultant for two educational television programs on the national reform movement in geographic education for the South Carolina Educational Television Network, February 1994.

Consultant for the National Geographic Society Education Foundation as a member of their Pre-Service Education Advisory Group, March 24-25, 1993.

Geographic education consultant for The National Faculty, Boston Public Schools, Boston, Massachusetts, January 29-30, 1993.

Senior Geography Consultant for Texas and Texans. Westerville, Ohio: Glencoe-Macmillan/McGraw-Hill, 1993.

Educational consultant for the American Geographical Society series "Around the World," New York, 1992-1994.

Educational consultant for the United States Department of Defense Dependent Schools, three-day workshop in Bad Kissingen, Germany, May 1992.

Standards consultant for the National Council on Education Standards and Testing (NCEST).

Assessment consultant for the Council of Chief State School Officers. Geography Framework for National Assessment of Education Progress (NAEP), 1992.

Curriculum consultant for AT&T on their Long-Distance Learning Network program, 1990.

Educational consultant for the United States Department of Defense Dependent Schools, three-day workshop in Bad Mergentheim, West Germany, May 1990.

Consultant for the American Express "Geography Takes You Places" competition, 1990.

In-service teacher training workshops during 1990 in Dallas, Houston, Galveston, Odessa, and Ysleta, Texas for their respective Independent School Districts (ISD).

Six two-day utilization workshops in "Global Geography," a ten-program educational television series for the Agency for Instructional Technology, October- December 1988.

Two-day workshop in geographic education for the El Paso Independent School District. Funded by Macmillan Publishers, August 1988.

Editorial consultant on Geo-Whiz for the National Geographic Society's Books for World Explorers, 1988.

In-service workshop in geographic education for the Schertz-Cibolo-Universal City Independent School District, Texas, August 1987.

In-service workshop in geographic education for the Northeast School District, San Antonio, Texas, August 1986.

Educational consultant for Midwestern State University for "A Workshop in Geographic Education," Wichita Falls, Texas, July 6-7, 1986.

Educational consultant for the U.S. Department of Defense Schools, Southern Region, Germany, "Methods for Teaching Geography." Course taught in Wiesbaden, West Germany, December 1985.

Evaluation consultant for National Evaluation Systems in preparation of the Examination for the Certification of Educators in Texas (Geography), 1985-1986.

Program consultant for the Agency for Instructional Technology for the development of "Global Geography," an educational television series, 1985-1987.

Editorial consultant for National Geographic Society for the development of "Mexico," a 16mm film, 1985-1986.

Educational consultant for U.S. Department of Defense Dependent Schools, Southern Region, Germany, "The Geography of Latin America." Course taught in Erding, West Germany, June 1984.

Educational and program consultant for the School of Social Sciences, Weber State University, Ogden, Utah, 1984.

Feasibility consultant for Vanguard Southwest in evaluating the location and feasibility of a 126-unit apartment complex in San Marcos, Texas, 1983.

Educational consultant for U.S. Department of Defense Dependent Schools, Southern Region, Germany, "Teaching Geography, Grades K-9." Course taught in Erding, West Germany, August 1983.

Editorial and media consultant for Encyclopedia Britannica Educational Corporation, 1980-present.

Program design consultant for Project MORE, a multi-media project on solid waste disposal and management in Texas, Texas State University-San Marcos, San Marcos, Texas, 1980.

Program consultant in Peer Group Counseling for "Juvenile Delinquency Prevention for the School Community," Texas State University-San Marcos, San Marcos, Texas, Summer 1979 and Summer 1980.

Evaluation consultant for Berrien County, Michigan Peer Group Counseling Project. Funded through the Michigan Office of Criminal Justice, 1976-1978.

Technical assistance consultant for the Missouri Juvenile Justice Association in the preparation of the Status Offender Survey, funded by the Missouri Council on Criminal Justice, 1976.

Proposal development consultant for the Cheyenne, Wyoming Office of Youth Alternatives, February 1976.

Named Juvenile Justice Respondent for Missouri by the National Center for Juvenile Justice, Pittsburgh, Pennsylvania, 1976.

Technical assistance consultant for the Missouri Juvenile Officers Association, Comprehensive Survey of Status Offenders and Juvenile Detention in Missouri, 1975, Jefferson City, Missouri, 1976.

Location consultant for Ashley-Garza-Humphries Associates report on "Adult Detention Program Design," Hidalgo County, Texas, 1973.

Systems analyst consultant for "Systems Analysis and Evaluation of Youth Service Bureaus in Rock Island and Henry Counties, Illinois, 1973" for the National Council on Crime and Delinquency.

Consultant on "Spatial Efficiency Within the Juvenile Justice System" for National Council on Crime and Delinquency, Hoboken, New Jersey, 1970-1974.

"The Geographic Assignment of Detention Facilities and Services in an Eight-County Area in Southern Pennsylvania," Appendix I in National Council on Crime and Delinquency survey of detention needs in southern Pennsylvania, 1970.

13. GRANTS AND ADMINISTRATIVE AND EDITORIAL POSITIONS

Texas State University Office of Equity and Access (Summer 2007) \$6,000 to support "Summer Academy for Minority Scholars."

National Geographic Society Education Foundation (8/1/06-7/31/07) \$64,255 Grosvenor Center Scholar

State of Texas (9/1/06-8/31/07) \$44,964.00 to support activities of the Texas Alliance for Geographic Education (TAGE)

National Geographic Society, (9/1/06-8/31/07) \$50,000 Support for Texas Alliance for Geographic Education.

National Geographic Society (9/1/06-8/31/07) \$10,196 Support for Grosvenor Center for Geographic Education

Sid W. Richardson Foundation (6/1/05-2/28/07) \$120,000 to support the Grosvenor Center for Geographic Education.

Texas State University-San Marcos (April 2007) \$1800 University Lecture Series

Texas State University-San Marcos (June 2007) \$1000 Special Project Funds, College of Liberal Arts.

Memorandum of Agreement, Sustainable Agricultural Water Conservation in the Rio Grande River Basin K-12 Curriculum Materials (9/1/05-8/30/07) \$33,575.

The Geography and History Project: Developing a National Resource Base (subcontract with Central Michigan University-part of \$200,000 National Geographic Model Grant Project) (2/5/07-12/31/08) \$34,200

Frost Bank International Travel Scholarship (May 07) \$500

NCGE International Travel Scholarship (May 07) \$1000

National Geographic Society Education Foundation (9/1/05-8/31/06) \$56,365 Grosvenor Center Scholarship

National Geographic Society Education Foundation (9/1/05-8/31/06) \$40,000 Grosvenor Center Scholar

National Geographic Society (9/1/05-8/31/06) \$32,300 Promoting Geographic Literacy in Texas-Education Network

National Geographic Society, (9/1/05-8/31/06) \$17,691 Promoting Geographic Education in Texas-Education Endowment

Memorandum of Agreement, Sustainable Agricultural Water Conservation in the Rio Grande River Basin K-12 Curriculum Materials (9/1/05-6/30/06) \$33,575

Texas State University Office of Equity and Access (Summer 2006) \$14,738 to support Summer Academy for Minority Scholars

State of Texas. (9/1/05-8/31/06). \$43,700 to support activities of the Texas Alliance for Geographic Education (TAGE)

Sid W. Richardson Foundation (2004). \$80,000 to support the operations of the Gilbert M. Grosvenor Center for Geographic Education (5/1/04-4/30/05)

National Geographic Society Education Foundation Grant (1/15/04-1/14/05) \$58,393. Through TAGE: Teacher-Generated Materials for Joint History/Geography Teaching and learning

National Geographic Society. (7/1/05-12/31/05) \$16,585. Texas Supplemental Geography Education Fund

Texas State University Office of Equity and Access (Summer 2005). \$6,000 to support Summer Academy for Minority Scholars

National Geographic Society. (9/1/04-8/31/05) \$54,153. Grosvenor Center for Geographic Education Scholarship Program

Texas Alliance for Geographic Education (2004). \$50,000 from the state of Texas

Texas State University Office of Equity and Access (2004). \$6,000 to support Summer Academy for Minority Scholars

National Geographic Society Education Foundation (2004) \$63,106 to support “Navigating the GeoSpatial Highway”

Texas Fund for Geography Education (2004) \$35,933 to support Summer Academy for Minority Scholars

Texas Fund for Geography Education (2004) \$9,880 to support GIS Training for Teachers and Students

Texas State University-San Marcos (2004) \$1500 Lecture Series

Texas State University-San Marcos (2004) \$5000 Early Engagement.

Grosvenor Scholars Program (2003) \$500,000 from the National Geographic Society Education Foundation, and \$420,000 (2004) from the Roy F. and JoAnn Cole Mitte Foundation (with others)

Texas Alliance for Geographic Education (2003) \$43,700 from the state of Texas

Texas Alliance for Geographic Education (2002). \$50,000 from the state of Texas and \$25,000 from the National Geographic Society Education Foundation

National Geographic Society Education Foundation (2001-2003) \$15,000 to support Geography Summer Academy for Minority Scholars

Texas Workforce Commission (2001-2003) \$293,000 to support “Enhancing Technology Skills in the Classroom,” a technology training program for Texas high school teachers.

Texas Alliance for Geographic Education (2001) \$100,000 from the state of Texas and the National Geographic Society Education Foundation

Sid W. Richardson Foundation (2000-2003) \$200,000 to support the operations of the Gilbert M. Grosvenor Center for Geographic Education

Texas Alliance for Geographic Education (2000). \$100,000 from the state of Texas and the National Geographic Society Education Foundation

Texas Alliance for Geographic Education (1999) \$100,000 from the state of Texas and the National Geographic Society Education Foundation

Fordham Foundation (1999). \$23,000 to support “Joint History/Geography Education: A Meaningful Relationship.”

National Geographic Society Education Foundation (1999). \$8,600 to support “GIS Training for Teachers.” Joint project with ESRI.

National Geographic Society Education Foundation (1999) \$152,700 to support “A Scope and Sequence in Geographic Education, Grades K-12.”

Sid W. Richardson Foundation (1998-2000) \$200,000 to support the operations of the Gilbert M. Grosvenor Center for Geographic Education

Texas Alliance for Geographic Education (1998) \$100,000 from the state of Texas and the National Geographic Society Education Foundation

"Effectively Using GIS in the Classroom" (1997-1998) \$34,392 to support a summer institute for teachers in the use of GIS. Funding provided by the National Council for Geographic

Education, Geographic Education National Implementation Project, and the National Geographic Society Education Foundation.

Rand McNally and Co. (1997) \$3,000 to support the publication of the papers from the First Assessment Conference

Sid W. Richardson Foundation (1997) \$20,000 to support the conference "First Assessment: Research in Geographic Education," held in San Marcos, Texas, May 1997

Texas Alliance for Geographic Education (1997) \$100,000 from the state of Texas and the National Geographic Society Education Foundation

Texas Alliance for Geographic Education (1996) \$90,000 from the state of Texas and the National Geographic Society Education Foundation

Texas Endowment for Geographic Education (1995) \$200,000 from the state of Texas. Now a permanent endowment located at Texas State University-San Marcos. Funds to be used to benefit geographic education in the State of Texas

Texas Alliance for Geographic Education (1995) \$150,000 from various sources, including the National Geographic Society Education Foundation, the state of Texas, and the Sid W. Richardson Foundation

\$26,500 to support the Summit II in Geographic Education (May 1995). Funding from Geographic Education National Implementation Project, National Council for Geographic Education, Association of American Geographers, Rand McNally Co., Holt, Rinehart, and Winston, ESRI, Intergraph Corporation, and Encyclopedia Britannica Education Corporation.

Texas Alliance for Geographic Education (1994). \$177,000 from various sources, including the National Geographic Society's Education Foundation, the state of Texas, Sid W. Richardson Foundation, and the Central and South West Corporation.

\$52,000 for The San Marcos Summit in Geography Education (1993). Funding from various sources, including the National Geographic Society Education Foundation, the National Council for Geographic Education, Geographic Education National Implementation Project, and an anonymous foundation in Dallas, Texas.

\$132,000 for the Texas Alliance for Geographic Education (1993). Funding from various sources, including the National Geographic Society, the state of Texas, and the Sid W. Richardson Foundation.

Texas Alliance for Geographic Education (1992). Raised \$165,500 from private and state sources to support the various educational activities of the Texas Alliance. Sources of funds include the Sid W. Richardson Foundation, National Geographic Society, the state of Texas, the Harris and Eliza Kempner Foundation, the Strake Foundation, and an anonymous foundation in Dallas, Texas.

Texas Alliance for Geographic Education (1991). Raised \$203,000 to support the Alliance summer teacher training program and to begin the development of an endowment for geographic education in Texas. Sources of funds include the state of Texas, National Geographic Society, the Sid W. Richardson Foundation, and the Harris and Eliza Kempner Foundation.

Co-Director with R. Bednarz, "Fund for Innovation in Education: Geography Academy for Teachers." U.S. Department of Education Grant No. R215T10007-91. October 1991-May 1993 (\$409,386).

Texas Alliance for Geographic Education (1990). Raised \$200,000 to support three summer institutes and a leadership workshop for teachers. Sources of funds were the state of Texas, National Geographic Society, Southwestern Bell Telephone Company, the Harris and Eliza Kempner Foundation, the Sid W. Richardson Foundation, the Strake Foundation, the Ray C. Fish Foundation, and an anonymous foundation in Dallas, Texas.

Texas Alliance for Geographic Education (1989). Raised \$167,000 to support four summer institutes for teachers. Sources of funds were the State of Texas, National Geographic Society, Southwestern Bell Telephone Co., the Harris and Eliza Kempner Foundation, the Sid W. Richardson Foundation, and a foundation in Dallas, Texas.

Texas Alliance for Geographic Education (1988). Raised \$184,000 to support three summer institutes for teachers. Sources of funds were the National Geographic Society, Southwestern Bell Telephone Co., United Services Automobile Association, and the Sid W. Richardson Foundation.

Co-Director, Fund for the Improvement of Post- Secondary Education (FIPSE), Grant No. G008730437, "Improving Pre-Service Training in Geography for Middle School Teachers: A University/School Partnership." Awarded to the Association of American Geographers for three years, September 1987-July 1990 (\$246,346).

Arranged for a permanent endowment of \$90,000 for the Texas State University-San Marcos Department of Geography and Planning, funded by the Gildea Foundation, Baltimore, Maryland (1983).

Project Coordinator, Missouri Public Service Commission Transportation Regulatory Function Implementation (Phase II), #3763-2232. Funded by the Missouri Public Service Commission and administered through the University of Missouri-Columbia, June 1978-May 1979 (\$100,000).

Project Director, Missouri Public Service Commission Transportation Regulatory Function Evaluation, #710427-1. Funded by the Missouri Public Service Commission, June 1977-June 1978 (\$76,387).

Project Director, Teacher's and User's Guides for "The Magic Birthday Party," a color pilot videotape. Funded by the A. P. Green Foundation, Mexico, Missouri, 1975 (\$2,500).

Project Director, Office of Technology and Environmental Education (DHEW), Grant No. G007601992, "Personnel Development: Training in the Use of Selected Environmental Education Materials." Awarded to the National Council for Geographic Education, 1976-1977 (\$13,500).

Project Director, Office of Environmental Education (DHEW), Grant No. OEG-0-74-7392, "Resource Material Development." Awarded to the National Council for Geographic Education, 1974-1975. See Journal of Geography, Media Review, January 1975, for a complete description of the project (\$25,000).

14. INVITED SPEECHES AND LECTURES

Evaluation in a Discipline: The Rise of Applied Geography" (2006) Invited paper given as the Area of Geographical Sciences Distinguished Lecture. Universidad de La Serena, La Serena, Chile.

"A Scope and Sequence in Geographic Education, K-12," invited agenda paper read at the meetings of the National Council for Geographic Education in Chicago, Illinois, August 2000.

"The Five Themes of Geography: A Useful Framework for Core Knowledge," lecture given at the annual conference of the Core Knowledge Foundation, Atlanta, Georgia, March 1998.

"Research in Geographic Education," speech for Geography Awareness Week at the University of Kentucky, November 1997.

"I Love Geography, But What Can I Do With It?," speech for Geography Awareness Week at Eastern Kentucky University, November 1997.

"Careers in Geography," given at Career Day in the geography department of the University of Missouri-Columbia, October 1997.

"National Standards in Geography: What They Are and What They Are Not," luncheon speech given at the joint meetings of the Pennsylvania Geographical Society and the Pennsylvania Council for the Social Studies, Carlisle, Pennsylvania, October 1996.

"The National Reform Movement in Geography," for the Ti-In Network (educational television), Pro-Talk, February 1996.

"Emergent Dreams and Reality: The Road to National Standards in Geography," speech given for the Presidential Seminar, Texas State University-San Marcos, San Marcos, Texas, April 1995.
